WINES BY THE GLASS

SOMMELIER LUXURY SUGGESTION

WHITE LUXURY GLASS

5 OZ

Jermann, Vintage Tunina 2014

30/150

Chardonnay, Sauvignon Blanc, Malvasisa, Picolit- Friuli- Italy

Jermann Vintage Tunina has a brilliant straw-yellow color with golden highlights. Its aroma is intense, full, with enormous elegance and persistence, and with hints of honey and wild flowers. Its taste is dry, velvety, and very well-orchestrated, with an exceptional persistence due to its particularly full body.

Far Niente 2017

30/150

Chardonnay- Napa Valley, CA

The 2017 Far Niente Chardonnay offers tropical aromas of citrus and melon layered with honeysuckle, perfume and toasted oak. A juicy entry transitions to a vibrant, yet oily, palate, which builds to a clean and refreshing finish. This wine is well integrated and beautifully concentrated, with lush citrus flavors and hints of minerality.

Jermann, Dreams 2017

34/160

Chardonnay- Friuli-Venezia Giulia, Italy

Aromatic notes of lime blossom and oak spice lace flavors of poached apricot, pastry, pineapple and lemon curd in this vibrant, medium- to full-bodied white. Rich and creamy on the lasting finish.

RED LUXURY GLASS

5 OZ

Giudo, Carlo Ferrini 2014
Sangiovese-Toscana, Italy

35/150

Lush cherry and blackberry fruit, leather, spice and tannins that provide zest and tone to this sensational Tuscan red.

Amarone Classico, Costasera, Masi 2013
Corvina, Rondinella and Molinara-Valpolicella, Italy

35/150

Powerful, complex aromas of dried plums, with 'balsamic' (anise, fennel, mint) traces. Quite dry (not sweet), soft and with bright acidity, with baked cherry, chocolate and cinnamon flavors and structured, noble tannins.

Brunello di Montalcino, Madonna Nera 2013
Sangiovese Grosso-Montalcino, Italy

38/160

A gorgeous, fruit-driven wine with superb depth in its plums, dark cherries, herbs and sweet toasted oak. It offers terrific balance in its fruit, structure and acidity.

Nerello Mascalese, Alberelli di Giudo 2016
Nerello Mascalese -Sicilia, Italy

40/180

This is the first vintage of famed Italian wine consultant Carlo Ferrini's own Etna wine, and it is a lovely debut. It has a charming nose of red cherries, vanilla, spice and white chocolate. A very Burgundian-style Nerello Mascalese with great purity and precision. Supremely elegant and seductive.

Silver Oak, Alexander Valley 2014
Cabernet Sauvignon-Napa Valley, California

45/220

Fruit, with beams of supporting acidity and tannin that give the wine its sense of proportion. Lavender, sage, menthol, licorice and plums are all given an extra kick of brightness on the finish.

BARBARESCO

Barbaresco is characterized by its rich, spicy flavors and perfumed sweetness and is considered more elegant and refined than its counterpart (Barolo), which is a more robust and longer-lived red. Regulations stipulate that Barbaresco must have a minimum alcohol content of 12.5 percent and undergo two years of aging, one of which must be spent in wooden barrels.

<i>Nebbiolo-</i> Barbaresco, Italy	

BAROLO

Barolo is a traditional hillside village in the rolling hills of Piemonte, northwestern Italy. To earn the name Barolo, the wines must undergo at least 38 months' aging prior to commercial release, of which 18 must be spent in barrel (the remainder in bottle). As the tannins soften over time, the complexity shows through with hints of earth, truffles and dark chocolate.

TENUTA SAN GUIDO

Tenuta San Guido is much better known by the name of its most famous wine – Sassicaia. It is located in the Tuscan region of Maremma and is the only case in Italy of a DOC appellation (Bolgheri Sassicaia) being contained within one estate. Sassicaia, one of the original Super Tuscan wines, is made up of Cabernet Sauvignon with a small amount of Cabernet Franc, and is known for its supple texture, elegance and perfume.

BRUNELLO DI MONTALCINO

Brunello di Montalcino is one Italy's most famous and prestigious wines. All Brunello wine is made exclusively from Sangiovese grapes grown on the slopes around Montalcino – a classic Tuscan hilltop village 20 miles south of Siena. The word Brunello translates roughly as 'little dark one', and is the local vernacular name for Sangiovese Grosso, the large-berried form of Sangiovese which grows in the area.

AUBERT PINOT NOIR

Aubert winemaking process is carefully guided by a winemaker with a farmer's heart and artisan's soul. The essence of making great wine is rooted in a relationship with the land – it's about the soil, about growing, about nurturing, about farming. We look to nature for guidance and to science for insight, as we craft wine with minimal intervention, so a sense of place is elegantly reflected in every bottle of Aubert wine. We believe the intellectual pursuit of winemaking has to be of the highest, most profound level of quality.

MARCASSIN VINEYARDS PINOT NOIR

Marcassin is a leading Sonoma Coast wine label. The vineyards are planted densely, and fruit is picked very ripe. Pinot Noir is destemmed and cold-soaked. The wine is fermented in tanks using natural yeasts. Aging takes place in new French oak and the wines are aged on their lees. No fining, filtering or cold stabilization is used so wines may throw a fine sediment or tartaric crystals. Usually the wines are aged five years in bottle before release.

KOSTA BROWNE PINOT NOIR

Kosta Browne is a Sonoma-based winery specializing in single-vineyard Pinot Noir wines. It was informally founded by Dan Kosta and Michael Browne. The majority of Kosta Browne's wine is sold to its mailing list, which has a two-year wait time to join, and an even longer period to get access to its most celebrated single-vineyard offerings.

SILVER OAK

We have yet to make our best bottle of wine.” This is a saying they have at Silver Oak that embodies our commitment to quality, continuous improvement and excellence. Bottle shock is real. It takes a full-bodied red wine 12 months to fully recover and show the full expression of fruit that it had before bottling.

SCREAMING EAGLE

Screaming Eagle Winery and Vineyards is a California wines estate producing limited amounts of varietal wine to the small quantities produced and high prices commanded. their wines are considered cult wines. The winery is located in Oakville, California north of the town of Napa in the Napa Valley. The quality is undeniable and the production of an average 700 cases makes this incredibly rare and precious.

SCARECROW

Scarecrow is 100% Cabernet Sauvignon from two acres of old vines planted in 1945 by John Daniel and dry farmed. Very deep garnet-purple colored, the 2016 Cabernet Sauvignon comes sashaying out of the glass with tantalizing notions of violets, lavender, Black Forest cake, mulberries, tobacco leaf and fragrant earth with a core of warm cassis, kirsch, Chinese five spice, rose hip tea and cedar chest. The palate is full-bodied and super concentrated yet possesses great energy with vibrant red and black fruits and loads of mineral accents, framed by very ripe, super fine-grained tannins and fantastic freshness, finishing very long with the most incredible perfume. Hedonistically, undeniably and deliciously perfect.

HARLAN ESTATE

The philosophy: "This transition zone between the wild terrain of the forest and the open plain of the valley is where we planted the vineyards, built the winery, and established our home. This is the edge of the change, and where we experience the activities of nature the most. I think that much of the character of the wine comes from the fact that the vineyards are carved from—and next to—these wild lands, this forest, and these woodlands. It's a good metaphor for life, as well as for our winegrowing philosophy."

QUILCEDA CREEK

Quilceda Creek is dedicated to world-class Cabernet Sauvignon. Founded in 1978, Quilceda Creek has had an unbroken string of highly-rated vintages that has led Robert Parker Jr. to name it Washington State's premier Cabernet Sauvignon producer. The Columbia Valley's growing seasons are remarkably consistent, but 2005 was exceptional. Summer temperatures were quite warm resulting in extremely small berry size, and then the heat backed off just enough in September to ripen the grapes without rushing physiological maturity. The results are deeply colored, beautifully balanced wines with tremendously dense, ripe aromas and flavors.
