PIEMONTE

BAROLO

Barolo is a traditional hillside village in the rolling hills of Piemonte, northwestern Italy. To earn the name Barolo, the wines must undergo at least 38 months' aging prior to commercial release, of which 18 must be spent in barrel. As the tannins soften over time, the complexity shows through with hints of earth, truffles and dark chocolate.

DAL FORNO ROMANO

The Dal Forno family has been making wine since 1983. Located in Val D'Illasi, the estate consists of 65 acres of vines planted to traditional indigenous varieties of Corvina, Corvinone, Rodinella, Oseleta, and Croatina. The estate vineyards and farm are located where the slopes begin to rise toward the mountains and sit 1,000 feet above sea level. The loose, alluvial soils, meticulous pruning and scrupulous viticultural techniques ensure remarkable-quality grapes.

ORNELLAIA & MASSETO

When Lodovico Antinori founded his estate in 1981 in Bolgheri, he was confident that he was going to make quality Bordeaux-styled wines. This scion of the famed Tuscan winemaking family can hardly have realized, however, that he was on the path to creating two of Italy's most celebrated labels: Ornellaia and Masseto. While Ornellaia is the maximum expression of Bolgheri and its Bordeaux blends, Masseto represents the ultimate expression of a single vineyard planted with a single variety.
